★ COMMUNITY TRAILS

The Pathfinder Loop is 1 mile long, and the Challenge Loop Trail is 1.3 miles long, and includes inclines to vary your workout. In the future, fitness stations will be added so people may participate in activities like stretching and strength training. It is also open to those who enjoy observing and photographing nature.

Proceeds from the 2014 Splash Path 5K & Fun Walk built a new Community Walking & Fitness Trail at Pathfinder Village, a project that is part of our local 5210 Community Health Initiatives in affiliation with the Bassett Research Institute and Edmeston-area organizations. This new trail provides opportunities for walking, jogging, snowshoeing, etc., in a challenging and beautiful setting.

The trail is accessible from the end of Turner Lane, and is maintained by Rotarians, community volunteers and Pathfinder Village.
