

Winter is here! Complete eight of the featured activities between December 21, 2025 and March 19, 2026 to earn the Winter Octet patch and sticker. Some trails are a mile long and could take less than an hour, other trails could take several hours, especially in deep snow. For one of the Octet requirements, you can choose your own winter outdoor activity (ice skating, sledding, ice fishing, winter biking, making a snowman) anywhere in Otsego County. You also can earn Octet credit by participating in outdoor events, or reporting invasive species. Patches and stickers are free, but donations are welcome and appreciated. Mail completed form to Otsego 2000, PO Box 1130, Cooperstown, NY 13326 or complete the form online at otsegooutdoors.org.
